

GREEN POLICY

2019

Environmental
Sustainability

We pledge to

- 1 Consider environmental aspects and impacts in our activities and decisions.
- 2 Promote environmental awareness. Encourage colleagues, clients/suppliers, partners/members and other stakeholders to act in an eco-friendly way.
- 3 Encourage affiliations (associations, communities, etc.) to adopt green practices.
- 4 Reduce consumption. Reuse. Recycle.
- 5 Favor environmentally friendly goods and services.
- 6 Continually strive to reduce our impact on the environment.
